Both Yerington and Lyon County have an unemployment rate of 17.5% and the local economy is depressed. Passage of the Yerington Land Conveyance and Sustainable Development Act would allow the City of Yerington to annex the Nevada Copper mine into the City Limits and allow the City to share in property and net proceeds of mines tax revenues. Without annexation, the City would not share in those tax revenues but would be burdened with most of the growth resulting from the mine without the funds to pay for it.
