

Offshore Energy and Jobs Act

Currently,
85%
of offshore
areas have
been blocked
for drilling by
the Obama Administration

H.R. 2231

Billion+ in Revenue
\$1.5B helps pay down the
national debt and
strengthens our
economy

1.2 million
jobs long-term

Opening new offshore areas
will create energy jobs & other
high-wage, high-skill jobs

H.R. 2231

#UNLOCKOURENERGY

Requires a new lease plan that includes areas containing the most oil & natural gas, including parts of the Atlantic & Pacific Coasts

Requires the Administration to hold oil and natural gas lease sales that have been cancelled by the Obama Administration - including Virginia

Establishes fair revenue sharing of offshore revenues for all coastal states

Implements reforms to improve safety, efficiency, and accountability

H.R. 2231 will create over a million new American jobs, lower energy prices, grow our economy and strengthen national security.
