# NOTICE

GuideStar has been informed by the IRS of processing errors on IRS Forms 990 filed electronically between January 1, 2009, and December 3, 2010, for form year 2008. These processing errors resulted in inaccurate data appearing on the scanned images of the affected returns that are posted on GuideStar and do not reflect the information filed with the IRS.

These errors include:

- Part III, line 1, organization's mission description—may not reflect what was originally submitted by the nonprofit organization.
- Part VIII, line 8a, gross income for special events—values may have been transposed.
- Part IX, line 7c, other salaries and wages, management and general expenses—may show a blank where a value was originally reported.
- Schedule D, Part V, line 3a(ii), endowment funds and possession by related organizations checkbox values may have been transposed.

GuideStar is working with the IRS to obtain a corrected copy of its form year 2008 Form 990. GuideStar will replace this Form 990 if, and when, the accurate return is made available from the IRS.
