John,

This version corrects myriad typos. But, fair warning, my underslept and addled mind likely didn't catch them all.

Sorry, I also just noticed that the numbering and formatting of the headers in attachment 6 are off --- I fixed the headers and made a number of other misc. edits to the original 4 attachments in the .004 file I circulated; I've dropped it in again incase you want to cut and paste.

History:  This message has been replied to.

Janet,

Sylvia is available. I just tried calling Bob, but got no answer in the front office. I just tried calling you as well. He needs to come up and talk to Sylvia ASAP. Also, we need to link Bill and John up so that they can make the necessary changes to the document. This needs to get to Wilma by noon.
