

# Comparative Print: Changes in Existing Law for Bill number:

## Notice

This document was computer-generated to show how legislative text that may be considered by the House proposes to change existing law. It has not been reviewed for accuracy. This document does not represent an official expression by the House and should not be relied on as an authoritative delineation of the proposed change(s) to existing law.

Omitted text is shown ~~stricken~~, new matter that is proposed is in underlined italics, and existing text in which no change is being proposed is shown in regular roman. Typesetting and stylistic characteristics, particularly in the headings and indentations, may not conform to how the text, if adopted, would be illustrated in subsequent versions of legislation or public law.

## TITLE I—INDIAN HEALTH MANPOWER

\* \* \* \* \*

### SEC. 125. OFFICE OF GRADUATE MEDICAL EDUCATION PROGRAMS.

(a) ESTABLISHMENT.— The Secretary, acting through the Service, (in this section referred to as the ‘Secretary’) shall establish within the Service an Office of Graduate Medical Education Programs (in this section referred to as the ‘Office’).

(b) DUTIES.— The Office shall have the following duties:

(1) To create a pipeline for future health care professionals, paraprofessionals, and other health-related professionals (as identified by the Secretary) to participate in residency and fellowship programs.

(2) To oversee current residency and fellowship programs at facilities of the Service and facilitate the establishment of additional residency programs that support recruitment and retention of health care professionals, paraprofessionals, and other health-related professionals (as identified by the Secretary) working at such facilities.

(3) To serve as the central hub for residency programs at facilities of the Service.

(4) To work in consultation or coordination with academic institutions.

(5) To coordinate medical student and elective rotational and education track programs.

(c) INTERAGENCY WORKING GROUP.—

(1) IN GENERAL.— The Secretary, in consultation with the Secretary of Veterans Affairs, the Secretary of Labor, the Administrator of the Health Resources and Services Administration, and the Administrator of the Centers for Medicare & Medicaid Services, shall establish an interagency working group (in this subsection referred to as the ‘working group’) to assist the Secretary in establishing the Office under subsection (a), including by—

(A) supporting the implementation of the Office; and

(B) developing long-term planning for long-term sustainability of the Office.

(2) QUARTERLY REPORTS.— Not later than the date that is 120 days after the date of enactment of this section, and every 3 months thereafter, the working group shall submit to Congress a report on the activities of the working group.

(3) TERMINATION.— The working group shall terminate on the date that is 10 years after the date of enactment of this section.

(d) AUTHORIZATION OF APPROPRIATIONS.— Subject to the availability of appropriations, there is authorized to be appropriated to carry out this section, not less than—

(1) \$4,000,000 for fiscal year 2027; and

(2) \$4,000,000 for each subsequent fiscal year.
