**BOB GALLO
PRESIDENT AND CEO
VOITH HYDRO INC.**

I have been President & CEO of Voith Hydro Inc. in York, PA since January 1, 2015 and am responsible for Voith's hydropower business in the U.S. Voith Hydro Inc. has operated continuously in the United States for the last 140 years.

Voith Hydro is one of the world's leading full-line suppliers of equipment, technologies and services for hydropower plants. The product portfolio covers all components for large and small hydropower plants: generators and all turbine types, Francis, Pelton, Kaplan, bulb and pump turbines, pumps, electrical and mechanical power plant equipment, automation systems, and services including spare parts and maintenance. Voith Hydro is a joint venture with Siemens, in which Voith holds a majority 65% of all shares and voting rights.

Upon entering the U.S. hydropower business, I immediately sought involvement with NHA as the leading association for our business. I have been elected to serve a 4 year term as an NHA Board member through 2019. Previously I served as an advisory board member in 2015. I also serve as a member of the CEO Council.
