

Amendment #1

**Amendment to H.R. 1517  
Offered by Mr. Stauber**

At the end of the bill, insert the following:

**SEC. 26. EFFECTIVE DATE.**

This Act shall not take effect until the Secretary of the Interior, in consultation with the Secretary of Energy and the Energy Information Administration, conducts a study on the estimated lifecycle emissions from the sourcing and transportation of required materials for, and subsequent construction of, wind turbines and solar panels.
