

Graves #3

**Amendment to the Amendment in the Nature of a Substitute to H.R. 2794  
Offered by Mr. Graves**

On page 2, following line 23, insert the following—

“Sec. 3. Enactment.

This Act shall not take effect until the Secretary of Energy, conducts an analysis to evaluate the effect the withdrawal proposed by this Act would have on global emissions by comparing environmental safeguards and production practices of mineral development in the United States to those of foreign nations who are likely to fill the void of not producing the mineral resources that are known to be found in the affected area.”
