

Graves #4

**Amendment to the Amendment in the Nature of a Substitute to H.R. 2794
Offered by Mr. Graves**

On page 2, following line 23, insert the following—

“Sec. 3. Enactment.

This Act shall not take effect until the Secretary of Energy conducts an assessment of global demand for critical mineral elements, as defined by the United States Geological Service, and determines that more than sufficient supplies of American critical minerals are already available in the global market”
