

Ocasio-Cortez #3

AMENDMENT OFFERED BY REPRESENTATIVE OCASIO-CORTEZ TO H.R. 4374

At the end, insert the following:

“SEC. 3. COMMUNITY NOTIFICATION REQUIREMENT. Oil and gas operators on public lands within the greater Chaco region shall notify communities within five miles of any oil spill, venting or flaring event, or methane leak on such lands within 24 hours. Such notification shall include information on the location of the incident, the types of materials released or spilled, and the danger or threat posed by the release or spill. Such community notification shall include posting information online and conducting outreach to local, State, and Tribal governments.”
