g. Any other information you wish to convey that might aid the Members of the Committee to better understand the context of your testimony.

I am a friend of the industry. I have a broad network in a niche market and access to a select group of contacts that I believe make my personal testimony much different than the average O&G witness. I appreciate the Committee Members desire to hear our view and I want them to know I appreciate the work they do on behalf of their constituents. I believe that calm, informed, rationale dialogue is the key to better understanding and hope this is a gateway to further communication on a vital subject to our national interests.
