

## Showing Current Law as Amended by S. 1377

[new text highlighted in yellow; text to be deleted bracketed and highlighted in blue]

### **AN ACT: To establish the Theodore Roosevelt National Memorial Park; to erect a monument in memory of Theodore Roosevelt in the village of Medora, North Dakota; and for other purposes. (Public Law 80-38; 61 Stat. 54, chapter 41; 16 U.S.C. 245)**

#### **[Sec. 5. The Administration] Sec. 5. Administration, Protection, and Development.**

(a) In General.—The administration, protection, and development of the aforesaid park shall be exercised under the direction of the Secretary of the Interior by the National Park Service, subject to the provisions of the Act of August 25, 1916 (39 Stat. 535), entitled “An Act to establish a National Park Service, and for other purposes”, as amended.

#### **(b) Maintenance of Horses.—**

(1) IN GENERAL.—The Secretary of the Interior (referred to in this subsection as the ‘Secretary’) shall maintain a genetically diverse herd of horses in the South Unit of Theodore Roosevelt National Park (referred to in this subsection as the ‘Park’), with a population of not fewer than 150 horses.

#### **(2) MANAGEMENT PLAN.—**

(A) IN GENERAL.—Not later than 120 days after the date of enactment of this subsection, the Secretary shall develop a plan to provide for the management of horses in the Park.

(B) REQUIREMENTS.—The plan developed under subparagraph (A) shall provide for the cost-effective management of the horses in the Park while ensuring that natural resources within the Park are not adversely impacted.

(3) REMOVAL.—The Secretary shall not remove, or assist in or permit the removal of, any horses from Federal land within the boundaries of the Park—

(A) unless the removal is carried out as part of a plan to maintain a genetically diverse herd of horses; or

(B) except—

(i) in the case of emergency; or

(ii) to protect public health and safety.

(4) MONITORING AND ASSESSMENT.— The Secretary shall annually monitor, assess, and make available to the public findings regarding the population, structure, and health of the horses in the Park.
