Sheriff Tim Soignet, Terrebonne Parish Sheriff's Office

Thank you for the opportunity to discuss the difficulties and challenges we are dealing with due to the rising fuel cost. I have over 300 hundred sworn police officers. Our concern is the fuel cost and increases. Last fiscal year July 2020 to June 2021 \$433,919.14 This fiscal year July 2021 to June 2022 \$774,770 to date we are still in this fiscal year. The cost has nearly doubled. We had hurricane Ida this fiscal year so we were able to look at cost taking Hurricane Ida out of the figures by looking at 8 months in each fiscal year November 2020 to June 2021 \$297,099 and from November 2022 to June 2022 \$486,092 with the fiscal year not completed we will break over \$200,000 for the last 8 months.

School Security SRO

We're looking at more school security, but it has become very challenging for us with the increases from fuel costs. We are trying to work with Parish Government and the School Board, but, unfortunately, everyone is suffering from these increases, making it very difficult to fund SRO in all of our schools. We are looking at Grants or any other assistance to help fund our school security. Rising Fuel Costs and its impact on our community. Thank you for your time and I look forward to your questions and shared concerns.
