Retired career BLM employee with 35 years service. Almost 30 of that in the Price Utah Field Office where I worked extensively with oil and gas leasing and post lease authorizations. Served on EIS and EA teams in a variety of capacities, including team leader and NEPA compliance specialist. Received an awards for outstanding performance on some projects including one where I served as team leader. Since retiring, I have served on the board of the Nine Mile Canyon Coalition, a 501c3 organization with interest in federal oil and gas leasing issues. Was part of the team that developed BLM National Training Center course on NEPA compliance

d. Any federal grants or contracts (including subgrants or subcontracts) from the Department of the Interior (and/or other agencies invited) that you have received in the current year and previous four years, including the source and the amount of each grant or contract.

Not sure if it is considered a contract (I don't). I have developed and teach a course in Outdoor Recreation Permitting Processes. This is a canned, off the shelf course. BLM's National Training Center purchases this course from me under a Purchase Requisition. Much like buying a bolt from a hardware store. I currently have requests to teach two courses in 2014 for a total of \$6,400. 2012- \$6,200. 2011 - \$7,400. 2010 - \$31,567. 2009 - \$3,184.
