RULE 1. RULES OF THE HOUSE; VICE CHAIRS

(a) Applicability of House Rules.

(1) The Rules of the House of Representatives, so far as they are applicable, are the rules of the Committee on Natural Resources (hereinafter in these rules referred to as the “Committee”) and its Subcommittees.

(2) Each Subcommittee is part of the Committee and is subject to the authority, direction and rules of the Committee. References in these rules to “Committee” and “Chair” shall apply to each Subcommittee and its Chair wherever applicable.

(3) House Rule XI is incorporated and made a part of the rules of the Committee to the extent applicable.

(b) Vice Chair.—Unless inconsistent with other rules, the Chair shall designate a Vice Chair of the Committee and appoint Vice Chairs of the Subcommittees. If the Chair of the Committee or Subcommittee is not present at any meeting of the Committee or Subcommittee, as the case may be, the Vice Chair shall preside. If the Vice Chair is not present, the Ranking Member of the Majority party on the Committee or Subcommittee who is present, or the Chair’s designee, shall preside at that meeting.

RULE 2. MEETINGS IN GENERAL

(a) Scheduled Meetings.—The Committee shall meet at 10 a.m. the first Wednesday of each month when the House is in session if so noticed by the Chair under Committee Rule 3(a). The Committee shall also meet at the call of the Chair subject to advance notice to all Members of the Committee. Special meetings shall be called and convened by the Chair as provided in clause 2(c)(1) of House Rule XI. Any Committee meeting or hearing that conflicts with a party caucus, conference, or similar party meeting shall be rescheduled at the discretion of the Chair, in consultation with the Ranking Minority Member. The Committee may not sit during a joint session of the House and Senate or during a recess when a joint meeting of the House and Senate is in progress.

(b) Open Meetings.—Each meeting for the transaction of business, including the markup of legislation, and each hearing of the Committee or a Subcommittee shall be open to the public, except as provided by clause 2(g) and clause 2(k) of House Rule XI.

(c) Broadcasting.—Whenever a meeting for the transaction of business, including the markup of legislation, or a hearing is open to the public, that meeting or hearing shall be open to coverage by television, radio, and still photography in accordance with clauses 2(a)(1) and 4 of House Rule XI. The provisions of clause 4(f) of House Rule XI are specifically made part of these rules by reference. To the maximum extent practicable, the Committee shall provide audio and visual coverage of each hearing or meeting for the transaction of business in a manner that allows the public to easily listen to and view the proceedings, and maintain the recordings of such coverage in a manner that is easily accessible to the public. Operation and use of any Committee internet broadcast system shall be fair, and nonpartisan, and in accordance with clause 4(b) of House Rule XI and all other applicable rules of the Committee and the House.

(d) Oversight Plan.—No later than March 1 of the first session of each Congress, the Committee shall prepare and submit its oversight plan for that Congress in accordance with clause 2(d) of House Rule X.

RULE 3. MEETING AND HEARING PROCEDURES IN GENERAL

(a) Notice and Information for Members and the Public.

(1) The Chair shall publicly announce the date, place and subject matter of a Committee hearing or meeting in accordance with clause 2(g)(3) of House Rule XI.

(2) A hearing or meeting may begin sooner if the Chair, with the concurrence of the Ranking Minority Member, determines that there is good cause to begin the meeting or hearing sooner, or if the Committee so determines by majority vote. In these cases, the Chair shall publicly announce the meeting or hearing at the earliest possible time. The Committee shall promptly notify the Daily Digest Clerk of the Congressional Record and shall promptly make publicly available in electronic form the appropriate information as soon as possible after the public announcement is made.

(3) To the extent practicable, a background memorandum prepared by the Majority staff summarizing the

major provisions of any bill being considered by the Committee, including the need for the bill and its effect on current law, will be available for the Members of the Committee and the public no later than 48 hours before the meeting.

(b) Public Availability of Markup Text.—At least 24 hours prior to the markup of any legislation (or at the time of an announcement under paragraph (a)(2) above made within 24 hours before such meeting), the Chair shall cause the text of such legislation to be made publicly available in electronic form.

(c) Meetings and Hearings to Begin Promptly.—Each meeting or hearing of the Committee shall begin promptly at the time stipulated in the public announcement of the meeting or hearing.

(d) Addressing the Committee.—A Committee Member may address the Committee or a Subcommittee on any bill, motion, or other matter under consideration or may question a witness at a hearing only when recognized by the Chair for that purpose. The time a Member may address the Committee or Subcommittee for any purpose or to question a witness shall be limited to five minutes, except as provided in Committee Rule 4(f). Members shall limit remarks to the subject matter under consideration.

(e) Quorums.

(1) A majority of the Members of the Committee shall constitute a quorum for the reporting of any measure or recommendation, the authorizing of a subpoena, the closing of any meeting or hearing to the public under clause 2(g)(1), clause 2(g)(2)(A) and clause 2(k)(5)(B) of House Rule XI, and the releasing of executive session materials under clause 2(k)(7) of House Rule X. Testimony and evidence may be received at any hearing at which there are at least two Members of the Committee present. For the purpose of transacting all other business of the Committee, one-third of the Members shall constitute a quorum.

(2) When a call of the roll is required to ascertain the presence of a quorum, the offices of all Members shall be notified and the Members shall have not less than 15 minutes to prove their attendance. The Chair shall have

the discretion to waive this requirement when a quorum is actually present or whenever a quorum is secured and may direct the relevant Committee staff to note the names of all Members present within the 15-minute period.

(f) Participation of Members in Committee and Subcommittees.—Any Member of the Committee may sit with any Subcommittee during any meeting or hearing, and by unanimous consent of the Members of the Subcommittee, may participate in such meeting or hearing. However, a Member who is not a Member of the Subcommittee may not vote on any matter before the Subcommittee, be counted for purposes of establishing a quorum, or raise points of order.

(g) Proxies.—No vote in the Committee or its Subcommittees may be cast by proxy.

(h) Record Votes.—Record votes shall be ordered on the demand of one-fifth of the Members present, or by any Member in the apparent absence of a quorum.

(i) Postponed Record Votes.

(1) Subject to paragraph (2), the Chair may, after consultation with the Ranking Minority Member, postpone further proceedings when a record vote is ordered on the question of approving any measure or matter or adopting an amendment. The Chair shall resume proceedings on a postponed request at any time after reasonable notice, but no later than the next meeting day.

(2) Notwithstanding any intervening order for the previous question, when proceedings resume on a postponed question under paragraph (1), an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

(3) This rule shall apply to Subcommittee proceedings.

(j) Privileged Motions.—A motion to recess from day to day, a motion to recess subject to the call of the Chair (within 24 hours), and a motion to dispense with the first reading (in full) of a bill or resolution if printed copies are available, are nondebateable motions of high privilege.

(k) Layover and Copy of Bill.—No measure or recommendation reported by a Subcommittee shall be considered by the Committee until two calendar days from the time of

Subcommittee action. No bill shall be considered by the Committee unless a copy has been delivered to the office of each Member of the Committee requesting a copy. These requirements may be waived by a majority vote of the Committee at the time of consideration of the measure or recommendation.

(l) Access to Dais and Conference Room.—Access to the hearing rooms' daises (and to the conference rooms adjacent to the Committee hearing rooms) shall be limited to Members of Congress and employees of the Committee during a meeting or hearing of the Committee, except that Committee Members' personal staff may be present on the daises if their employing Member is the author of a bill or amendment under consideration by the Committee, but only during the time that the bill or amendment is under active consideration by the Committee. Access to the conference rooms adjacent to the Committee hearing rooms shall be limited to Members of Congress and employees of Congress during a meeting or hearing of the Committee.

(m) Cellular Telephones and other Electronic Devices.—During a meeting of the Committee, ringing or audible sounds or conversational use of cellular telephones or other electronic devices is prohibited on the Committee dais or in the Committee hearing rooms.

(n) Motion to go to Conference with the Senate.—The Chair may offer a motion under clause 1 of House Rule XXII whenever the Chair considers it appropriate.

(o) Materials for Record.—Other than witness questions for the hearing record, materials must be submitted within 10 business days following the last day of the hearing or meeting. Witness questions for the hearing record must be submitted to the relevant Full Committee staff or Subcommittee Clerk within 3 business days following the last day of the hearing. The materials submitted must address the subject matter of the hearing or meeting. Only a Member of the Committee or an invited witness may submit materials for inclusion in the hearing or meeting record.

RULE 4. HEARING PROCEDURES

(a) Written Statement; Oral Testimony.—Witnesses who are to appear before the Committee or a Subcommittee shall file with the relevant Full Committee staff or Subcommittee Clerk, at least two business days before the day of their

appearance, a written statement of their proposed testimony. Witnesses shall limit their oral presentation to a five-minute summary of the written statement, unless the Chair, in consultation with the Ranking Minority Member, extends this time period. Subject to the approval of the Committee, the Chair may waive oral testimony of any witness who has submitted written testimony for the record.

In addition, a witness appearing in a nongovernmental capacity shall include a curriculum vitae and a disclosure of any Federal grants or contracts, or contracts or payments originating with a foreign government, received during the current calendar year or either of the previous two calendar years by the witness or by the entity represented by the witness and related to the subject matter of the hearing. The disclosure shall include the amount and source of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) related to the subject matter of the hearing and the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government. Failure to comply with these disclosure requirements may result in the exclusion of the written testimony from the hearing record and/or the barring of an oral presentation of the testimony.

(b) Minority Witnesses.—When any hearing is conducted by the Committee or any Subcommittee upon any measure or matter, the Minority party Members on the Committee or Subcommittee shall be entitled, upon request to the Chair by a majority of those Minority Members before the completion of the hearing, to call witnesses selected by the Minority to testify with respect to that measure or matter during at least one day of hearings thereon.

(c) Information for Members.—After announcement of a hearing, the Committee shall make available as soon as practicable to all Members of the Committee a tentative witness list and to the extent practicable the Majority staff shall make publicly available a memorandum explaining the subject matter of the hearing (including relevant legislative reports and other necessary material). In addition, the Chair shall make available to the Members of the Committee any official reports from departments and agencies on the subject matter as they are received.

(d) Subpoenas.—The Committee or a Subcommittee may authorize and issue a subpoena under clause 2(m) of House Rule XI if authorized by a majority of the Members voting. In addition, the Chair of the Committee may authorize and issue subpoenas during any period of time in which the House of Representatives has adjourned for more than three days and, as soon as practicable, the Chair shall notify all Members of the Committee of such action. Subpoenas shall be signed only by the Chair of the Committee, or any Member of the Committee authorized by the Committee, and may be served by any person designated by the Chair or Member.

(e) Oaths.—The Chair of the Committee, the Chairs of the Subcommittees or any Member designated by the Chair may administer oaths to any witness before the Committee. All witnesses appearing in hearings may be administered the following oath by the Chair or his designee prior to receiving the testimony: “Do you solemnly swear or affirm, under penalty of law, that the testimony that you are about to give is the truth, the whole truth, and nothing but the truth, so help you God?”

(f) Opening Statements; Questioning of Witnesses.

(1) Opening Statements may be made by the Chair and the Ranking Member or their designee. If a witness scheduled to testify at any hearing of the Committee is a constituent of a Member of the Committee, that Member may be recognized for up to 30 seconds to briefly introduce the witness at the hearing.

(2) The questioning of witnesses in Committee and Subcommittee hearings may be initiated by the Chair, followed by the Ranking Minority Member and all other Members alternating between the Majority and Minority parties. In recognizing Members to question witnesses, the Chair shall take into consideration the ratio of the Majority to Minority Members present and shall establish the order of recognition for questioning in a manner so as not to disadvantage the Members of the Majority or the Members of the Minority. A motion is in order to allow designated Majority and Minority party Members to question a witness for a specified period to be equally divided between the Majority and Minority parties. This period shall not exceed one hour in the aggregate.

(g) **Claims of Privilege.**—Claims of common-law privileges made by witnesses in hearings, or by interviewees or deponents in investigations or inquiries, are applicable only at the discretion of the Chair, subject to appeal to the Committee.

RULE 5. FILING OF COMMITTEE REPORTS

(a) **Duty of Chair.**—Whenever the Committee authorizes the favorable reporting of a measure from the Committee, the Chair or the Chair’s designee shall report the same to the House of Representatives and shall take all steps necessary to secure its passage without any additional authority needing to be set forth in the motion to report each individual measure. In appropriate cases, the authority set forth in this rule shall extend to moving in accordance with the Rules of the House of Representatives that the House be resolved into the Committee of the Whole House on the State of the Union for the consideration of the measure; and to moving in accordance with the Rules of the House of Representatives for the disposition of a Senate measure that is substantially the same as the House measure as reported.

(b) **Filing.**—A report on a measure which has been approved by the Committee shall be filed within seven calendar days (exclusive of days on which the House of Representatives is not in session) after the day on which there has been filed with the relevant Full Committee staff a written request, signed by a majority of the Members of the Committee, for the reporting of that measure. Upon the filing with the relevant Full Committee staff of this request, the staff shall transmit immediately to the Chair notice of the filing of that request.

(c) **Supplemental, Additional, Dissenting or Minority Views.**—Any Member may, if notice is given by any Member at the time a measure or matter is approved by the Committee, file supplemental, additional, dissenting or minority views. These views must be in writing and signed by each Member joining therein and be filed with the Committee Chief Counsel not less than two additional calendar days (excluding Saturdays, Sundays and legal holidays except when the House is in session on those days) of the time the bill or resolution is approved by the Committee. This paragraph shall not preclude the filing of any supplemental report on any measure or matter that may be required for the correction of any

technical error in a previous report made by the Committee on that bill or resolution.

(d) Review by Members.—Each Member of the Committee shall be given an opportunity to review each proposed Committee report before it is filed with the Clerk of the House of Representatives. Nothing in this paragraph extends the time allowed for filing supplemental, additional, dissenting or minority views under paragraph (c).

(e) Disclaimer.—All Committee or Subcommittee reports printed and not approved by a majority vote of the Committee or Subcommittee, as appropriate, shall contain the following disclaimer on the cover of the report: “This report has not been officially adopted by the {Committee on Natural Resources} {Subcommittee} and may not therefore necessarily reflect the views of its Members.”
