Dear Representatives Bishop and Grijalva:

Please accept our sincere appreciation for your collaborative efforts in writing and sponsoring H.R. 6510, The National Park Service and Public Lands Legacy Restoration Fund. We are grateful for this realistic approach to dealing with the backlog of maintenance and infrastructure in National Parks, Refuges and on public lands, as well as, providing for the Indian Education Service. We are in full support of H.R. 6510 and have been urging our Representatives to co-sponsor this legislation.
