

Huffman #4

AMENDMENT OFFERED BY REPRESENTATIVE HUFFMAN TO H.R. 764

At the end, insert the following:

“Sec. 4. Sense of Congress.—It is the sense of Congress that the rule submitted by the National Marine Fisheries Service and the U.S. Fish and Wildlife Service entitled “Endangered and Threatened Wildlife and Plants; Regulations for Listing Endangered and Threatened Species and Designating Critical Habitat” (85 Fed. Reg. 81411 (December 16, 2020)) is detrimental to the future designation of critical habitat for threatened and endangered species, including gray wolves, West Indian manatees, the piping plover, endangered and threatened coral species, and the six species of sea turtles found in U.S. waters.”
