Dear Mr. Secretary:

In an effort to better understand the operation of Grand Canyon National Park and their consultation process with outside groups I would like all documents and correspondence of all types from the Superintendent of Grand Canyon National Park , and the Grand Canyon National Park Science Center Director from January 1, 2007 to the present, that are related to:

1. Correspondence to or from the media.
2. Correspondence to or from individuals and organizations from: National Parks Conservation Association, Center for Biological Diversity, Defenders of Wildlife, Grand Canyon Trust, Natural Resources Defense Council, Arizona Archeological Council, Southern Utah Wilderness Alliance, Sierra Club, and the National Trust for Historic Preservation.

Additionally, please provide all communications between the Superintendent and the Science Center Director for the same dates as above.

Thank you for your help with this matter.

Sincerely,
