(A) BAITED AREA.—

(i) IN GENERAL.—The term “baited area” means—

(I) any area on which salt, grain, or other feed has been placed, exposed, deposited, distributed, or scattered, if the salt, grain, or feed could lure or attract migratory game birds; and

(ii) INCLUSIONS.—

(I) IN GENERAL.—Subject to subclause (II), the term “normal agricultural practice” includes the destruction of a crop in accordance with practices required by the Federal Crop Insurance Corporation for agricultural producers to obtain crop insurance under the Federal Crop Insurance Act (7 U.S.C. 1501 et seq.) on land on which a crop during the current or immediately preceding crop year was not harvestable due to a natural disaster (including any hurricane, storm, tornado, flood, high water, wind-driven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, drought, fire, snowstorm, or other catastrophe that is declared a major disaster by the President in accordance with section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170)).

(II) LIMITATIONS.—The term “normal agricultural practice” only includes a crop described in subclause (I) that has been destroyed or manipulated through activities that include (but are not limited to) mowing, discing, or rolling if the Federal Crop

Insurance Corporation certifies that flooding was not an acceptable method of destruction to obtain crop insurance under the Federal Crop Insurance Act (7 U.S.C. 1501 et seq.).

(E) WATERFOWL.—The term “waterfowl” means native species of the family Anatidae.

(2) PROHIBITION.—It shall be unlawful for any person—

(3) HUNTING SEASON.—The hunter access corridors shall be open for use during hunting seasons.

(4) EXCEPTION.—The Director may establish limited periods during which access through the hunter access corridors is closed for reasons of public safety, administration, or compliance with applicable law. Such closures shall be clearly marked with signs and dates of closures, and shall not include gates, chains, walls, or other barriers on the hunter access corridor.

Section 504 of title 5, United States Code

§504. Costs and fees of parties

(a)(1) An agency that conducts an adversary adjudication shall award, to a prevailing party other than the United States, fees and other expenses incurred by that party in connection with that proceeding, unless the adjudicative officer of the agency finds that the position of the agency was substantially justified or that special circumstances make an award unjust. Whether or not the position of the agency was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought.

(2) A party seeking an award of fees and other expenses shall, within thirty days of a final disposition in the adversary adjudication, submit to the agency an application which shows that the party is a prevailing party and is eligible to receive an award under this section, and the amount sought, including an itemized statement from any attorney, agent, or expert witness representing or appearing in behalf of the party stating the actual time expended and the rate at which fees and other expenses were computed. The party shall also allege that the position of the agency was not substantially justified. When the United States appeals the underlying merits of an adversary adjudication, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made under this section until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

(3) The adjudicative officer of the agency may reduce the amount to be awarded, or deny an award, to the extent that the party during the course of the proceedings engaged in conduct which unduly and unreasonably protracted the final resolution of the matter in controversy. The decision of the adjudicative officer of the agency under this section shall be made a part of the record containing the final decision of the agency and shall include written findings and conclusions and the reason or basis therefor. The decision of the agency on the application for fees and other expenses shall be the final administrative decision under this section.

(4) If, in an adversary adjudication arising from an agency action to enforce a party's compliance with a statutory or regulatory requirement, the demand by the agency is substantially in excess of the decision of the adjudicative officer and is unreasonable when compared with such decision, under the facts and circumstances of the case, the adjudicative officer shall award to the party the fees and other expenses related to defending against the excessive demand, unless the party has committed a willful violation of law or otherwise acted in bad faith, or special circumstances make an award unjust. Fees and expenses awarded under this paragraph shall be paid only as a consequence of appropriations provided in advance.

(b)(1) For the purposes of this section-

(A) "fees and other expenses" includes the reasonable expenses of expert witnesses, the reasonable cost of any study, analysis, engineering report, test, or project which is found by the agency to be necessary for the preparation of the party's case, and reasonable attorney or agent fees (The amount of fees awarded under this section shall be based upon prevailing

market rates for the kind and quality of the services furnished, except that (i) no expert witness shall be compensated at a rate in excess of the highest rate of compensation for expert witnesses paid by the agency involved, and (ii) attorney or agent fees shall not be awarded in excess of \$125 per hour unless the agency determines by regulation that an increase in the cost of living or a special factor, such as the limited availability of qualified attorneys or agents for the proceedings involved, justifies a higher fee.);

(B) "party" means a party, as defined in [section 551\(3\) of this title](#), who is (i) an individual whose net worth did not exceed \$2,000,000 at the time the adversary adjudication was initiated, or (ii) any owner of an unincorporated business, or any partnership, corporation, association, unit of local government, or organization, the net worth of which did not exceed \$7,000,000 at the time the adversary adjudication was initiated, and which had not more than 500 employees at the time the adversary adjudication was initiated; except that an organization described in section 501(c)(3) of the Internal Revenue Code of 1986 ([26 U.S.C. 501\(c\)\(3\)](#)) exempt from taxation under section 501(a) of such Code, or a cooperative association as defined in section 15(a) of the Agricultural Marketing Act ([12 U.S.C. 1141j\(a\)](#)), may be a party regardless of the net worth of such organization or cooperative association or for purposes of subsection (a)(4), a small entity as defined in section 601;

(C) "adversary adjudication" means (i) an adjudication under [section 554 of this title](#) in which the position of the United States is represented by counsel or otherwise, but excludes an adjudication for the purpose of establishing or fixing a rate or for the purpose of granting or renewing a license, (ii) any appeal of a decision made pursuant to [section 7103 of title 41](#) before an agency board of contract appeals as provided in [section 7105 of title 41](#), (iii) any hearing conducted under [chapter 38 of title 31](#), and (iv) the Religious Freedom Restoration Act of 1993;

(D) "adjudicative officer" means the deciding official, without regard to whether the official is designated as an administrative law judge, a hearing officer or examiner, or otherwise, who presided at the adversary adjudication;

(E) "position of the agency" means, in addition to the position taken by the agency in the adversary adjudication, the action or failure to act by the agency upon which the adversary adjudication is based; except that fees and other expenses may not be awarded to a party for any portion of the adversary adjudication in which the party has unreasonably protracted the proceedings; and

(F) "demand" means the express demand of the agency which led to the adversary adjudication, but does not include a recitation by the agency of the maximum statutory penalty (i) in the administrative complaint, or (ii) elsewhere when accompanied by an express demand for a lesser amount.

(2) Except as otherwise provided in paragraph (1), the definitions provided in [section 551 of this title](#) apply to this section.

(c)(1) After consultation with the Chairman of the Administrative Conference of the United States, each agency shall by rule establish uniform procedures for the submission and consideration of applications for an award of fees and other expenses. If a court reviews the underlying decision of the adversary adjudication, an award for fees and other expenses may be made only pursuant to [section 2412\(d\)\(3\) of title 28, United States Code](#).

(2) If a party other than the United States is dissatisfied with a determination of fees and other expenses made under subsection (a), that party may, within 30 days after the determination is made, appeal the determination to the court of the United States having jurisdiction to review the merits of the underlying decision of the agency adversary adjudication. The court's determination on any appeal heard under this paragraph shall be based solely on the factual record made before the agency. The court may modify the determination of fees and other expenses only if the court finds that the failure to make an award of fees and other expenses, or the calculation of the amount of the award, was unsupported by substantial evidence.

(d) Fees and other expenses awarded under this subsection shall be paid by any agency over which the party prevails from any funds made available to the agency by appropriation or otherwise.

(e) The Chairman of the Administrative Conference of the United States, after consultation with the Chief Counsel for Advocacy of the Small Business Administration, shall report annually to the Congress on the amount of fees and other expenses awarded during the preceding fiscal year pursuant to this section. The report shall describe the number, nature, and amount of the awards, the claims involved in the controversy, and any other relevant information which may aid the Congress in evaluating the scope and impact of such awards. Each agency shall provide the Chairman with such information as is necessary for the Chairman to comply with the requirements of this subsection.

(e) The Chairman of the Administrative Conference of the United States shall create and maintain online a searchable database containing the following information with respect to each award of fees and other expenses under this section:

(1) The case name and number of the adversary adjudication, if available.

(2) The name of the agency involved in the adversary adjudication.

(3) A description of the claims in the adversary adjudication.

(4) The name of each party to whom the award was made, as such party is identified in the order or other agency document making the award.

(5) The amount of the award.

(6) The basis for the finding that the position of the agency concerned was not substantially justified.

(f) The online searchable database described in subsection (e) may not reveal any information the disclosure of which is prohibited by law or court order.

(g) The head of each agency shall provide to the Chairman of the Administrative Conference of the United States, no later than 60 days following the Chairman's request, all information requested by the Chairman to comply with the requirements of subsections (e) and (f).

(f) (h) No award may be made under this section for costs, fees, or other expenses which may be awarded under section 7430 of the Internal Revenue Code of 1986.

Section 2412(d) of title 28, United States Code

§2412. Costs and fees

(a)(1) Except as otherwise specifically provided by statute, a judgment for costs, as enumerated in section 1920 of this title, but not including the fees and expenses of attorneys, may be awarded to the prevailing party in any civil action brought by or against the United States or any agency or any official of the United States acting in his or her official capacity in any court having jurisdiction of such action. A judgment for costs when taxed against the United States shall, in an amount established by statute, court rule, or order, be limited to reimbursing in whole or in part the prevailing party for the costs incurred by such party in the litigation.

(2) A judgment for costs, when awarded in favor of the United States in an action brought by the United States, may include an amount equal to the filing fee prescribed under section 1914(a) of this title. The preceding sentence shall not be construed as requiring the United States to pay any filing fee.

(b) Unless expressly prohibited by statute, a court may award reasonable fees and expenses of attorneys, in addition to the costs which may be awarded pursuant to subsection (a), to the prevailing party in any civil action brought by or against the United States or any agency or any official of the United States acting in his or her official capacity in any court having jurisdiction of

such action. The United States shall be liable for such fees and expenses to the same extent that any other party would be liable under the common law or under the terms of any statute which specifically provides for such an award.

(c)(1) Any judgment against the United States or any agency and any official of the United States acting in his or her official capacity for costs pursuant to subsection (a) shall be paid as provided in [sections 2414 and 2517 of this title](#) and shall be in addition to any relief provided in the judgment.

(2) Any judgment against the United States or any agency and any official of the United States acting in his or her official capacity for fees and expenses of attorneys pursuant to subsection (b) shall be paid as provided in [sections 2414 and 2517 of this title](#), except that if the basis for the award is a finding that the United States acted in bad faith, then the award shall be paid by any agency found to have acted in bad faith and shall be in addition to any relief provided in the judgment.

(d)(1)(A) Except as otherwise specifically provided by statute, a court shall award to a prevailing party other than the United States fees and other expenses, in addition to any costs awarded pursuant to subsection (a), incurred by that party in any civil action (other than cases sounding in tort), including proceedings for judicial review of agency action, brought by or against the United States in any court having jurisdiction of that action, unless the court finds that the position of the United States was substantially justified or that special circumstances make an award unjust.

(B) A party seeking an award of fees and other expenses shall, within thirty days of final judgment in the action, submit to the court an application for fees and other expenses which shows that the party is a prevailing party and is eligible to receive an award under this subsection, and the amount sought, including an itemized statement from any attorney or expert witness representing or appearing in behalf of the party stating the actual time expended and the rate at which fees and other expenses were computed. The party shall also allege that the position of the United States was not substantially justified. Whether or not the position of the United States was substantially justified shall be determined on the basis of the record (including the record with respect to the action or failure to act by the agency upon which the civil action is based) which is made in the civil action for which fees and other expenses are sought.

(C) The court, in its discretion, may reduce the amount to be awarded pursuant to this subsection, or deny an award, to the extent that the prevailing party during the course of the proceedings engaged in conduct which unduly and unreasonably protracted the final resolution of the matter in controversy.

(D) If, in a civil action brought by the United States or a proceeding for judicial review of an adversary adjudication described in [section 504\(a\)\(4\) of title 5](#), the demand by the United States is substantially in excess of the judgment finally obtained by the United States and is unreasonable when compared with such judgment, under the facts and circumstances of the case, the court shall award to the party the fees and other expenses related to defending against the excessive demand, unless the party has committed a willful violation of law or otherwise acted in bad faith, or special circumstances make an award unjust. Fees and expenses awarded under this subparagraph shall be paid only as a consequence of appropriations provided in advance.

(2) For the purposes of this subsection-

(A) "fees and other expenses" includes the reasonable expenses of expert witnesses, the reasonable cost of any study, analysis, engineering report, test, or project which is found by the court to be necessary for the preparation of the party's case, and reasonable attorney fees (The amount of fees awarded under this subsection shall be based upon prevailing market rates for the kind and quality of the services furnished, except that (i) no expert witness shall be compensated at a rate in excess of the highest rate of compensation for

expert witnesses paid by the United States; and (ii) attorney fees shall not be awarded in excess of \$125 per hour unless the court determines that an increase in the cost of living or a special factor, such as the limited availability of qualified attorneys for the proceedings involved, justifies a higher fee.);

(B) "party" means (i) an individual whose net worth did not exceed \$2,000,000 at the time the civil action was filed, or (ii) any owner of an unincorporated business, or any partnership, corporation, association, unit of local government, or organization, the net worth of which did not exceed \$7,000,000 at the time the civil action was filed, and which had not more than 500 employees at the time the civil action was filed; except that an organization described in section 501(c)(3) of the Internal Revenue Code of 1986 (26 U.S.C. 501(c)(3)) exempt from taxation under section 501(a) of such Code, or a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)), may be a party regardless of the net worth of such organization or cooperative association or for purposes of subsection (d)(1)(D), a small entity as defined in section 601 of title 5;

(C) "United States" includes any agency and any official of the United States acting in his or her official capacity;

(D) "position of the United States" means, in addition to the position taken by the United States in the civil action, the action or failure to act by the agency upon which the civil action is based; except that fees and expenses may not be awarded to a party for any portion of the litigation in which the party has unreasonably protracted the proceedings;

(E) "civil action brought by or against the United States" includes an appeal by a party, other than the United States, from a decision of a contracting officer rendered pursuant to a disputes clause in a contract with the Government or pursuant to chapter 71 of title 41;

(F) "court" includes the United States Court of Federal Claims and the United States Court of Appeals for Veterans Claims;

(G) "final judgment" means a judgment that is final and not appealable, and includes an order of settlement;

(H) "prevailing party", in the case of eminent domain proceedings, means a party who obtains a final judgment (other than by settlement), exclusive of interest, the amount of which is at least as close to the highest valuation of the property involved that is attested to at trial on behalf of the property owner as it is to the highest valuation of the property involved that is attested to at trial on behalf of the Government; and

(I) "demand" means the express demand of the United States which led to the adversary adjudication, but shall not include a recitation of the maximum statutory penalty (i) in the complaint, or (ii) elsewhere when accompanied by an express demand for a lesser amount.

(3) In awarding fees and other expenses under this subsection to a prevailing party in any action for judicial review of an adversary adjudication, as defined in subsection (b)(1)(C) of section 504 of title 5, [United States Code,] or an adversary adjudication subject to chapter 71 of title 41, the court shall include in that award fees and other expenses to the same extent authorized in subsection (a) of such section, unless the court finds that during such adversary adjudication the position of the United States was substantially justified, or that special circumstances make an award unjust.

(4) Fees and other expenses awarded under this subsection to a party shall be paid by any agency over which the party prevails from any funds made available to the agency by appropriation or otherwise.

(5) The Chairman of the Administrative Conference shall create and maintain online a searchable database containing the following information with respect to each award of fees and other expenses under this section:

(A) The case name and number.

(B) The name of the agency involved in the case.

(C) The name of each party to whom the award was made, as such party is identified in the order or other court document making the award.

(D) A description of the claims in the case.

(E) The amount of the award.

(F) The basis for the finding that the position of the agency concerned was not substantially justified.

(6) The online searchable database described in paragraph (5) may not reveal any information the disclosure of which is prohibited by law or court order.

(7) The head of each agency (including the Attorney General of the United States) shall provide to the Chairman of the Administrative Conference of the United States, no later than 60 days following the Chairman's request, all information requested by the Chairman to comply with the requirements of paragraphs (5) and (6).

(e) The provisions of this section shall not apply to any costs, fees, and other expenses in connection with any proceeding to which section 7430 of the Internal Revenue Code of 1986 applies (determined without regard to subsections (b) and (f) of such section). Nothing in the preceding sentence shall prevent the awarding under subsection (a) [of section 2412 of title 28, United States Code.] of this section of costs enumerated in section 1920 of [such] this title (as in effect on October 1, 1981).

(f) If the United States appeals an award of costs or fees and other expenses made against the United States under this section and the award is affirmed in whole or in part, interest shall be paid on the amount of the award as affirmed. Such interest shall be computed at the rate determined under section 1961(a) of this title, and shall run from the date of the award through the day before the date of the mandate of affirmance.

Section 104 of the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374)

§1374. Permits

(a) Issuance

The Secretary may issue permits which authorize the taking or importation of any marine mammal. Permits for the incidental taking of marine mammals in the course of commercial fishing operations may only be issued as specifically provided for in sections ¹ 1371(a)(5) or 1416 of this title, or subsection (h) of this section.

(b) Requisite provisions

Any permit issued under this section shall-

(1) be consistent with any applicable regulation established by the Secretary under [section 1373 of this title](#), and

(2) specify-

(A) the number and kind of animals which are authorized to be taken or imported,

(B) the location and manner (which manner must be determined by the Secretary to be humane) in which they may be taken, or from which they may be imported,

(C) the period during which the permit is valid, and

(D) any other terms or conditions which the Secretary deems appropriate.

In any case in which an application for a permit cites as a reason for the proposed taking the overpopulation of a particular species or population stock, the Secretary shall first consider whether or not it would be more desirable to transplant a number of animals (but not to exceed the number requested for taking in the application) of that species or stock to a location not then inhabited by such species or stock but previously inhabited by such species or stock.

(c) Importation for scientific research, public display, or enhancing survival or recovery of species or stock

(1) Any permit issued by the Secretary which authorizes the taking or importation of a marine mammal for purposes of scientific research, public display, or enhancing the survival or recovery of a species or stock shall specify, in addition to the conditions required by subsection (b) of this section, the methods of capture, supervision, care, and transportation which must be observed pursuant to such taking or importation. Any person authorized to take or import a marine mammal for purposes of scientific research, public display, or enhancing the survival or recovery of a species or stock shall furnish to the Secretary a report on all activities carried out by him pursuant to that authority.

(2)(A) A permit may be issued to take or import a marine mammal for the purpose of public display only to a person which the Secretary determines-

(i) offers a program for education or conservation purposes that is based on professionally recognized standards of the public display community;

(ii) is registered or holds a license issued under [7 U.S.C. 2131 et seq.](#); and

(iii) maintains facilities for the public display of marine mammals that are open to the public on a regularly scheduled basis and that access to such facilities is not limited or restricted other than by charging of an admission fee.

(B) A permit under this paragraph shall grant to the person to which it is issued the right, without obtaining any additional permit or authorization under this chapter, to-

(i) take, import, purchase, offer to purchase, possess, or transport the marine mammal that is the subject of the permit; and

(ii) sell, export, or otherwise transfer possession of the marine mammal, or offer to sell, export, or otherwise transfer possession of the marine mammal-

(I) for the purpose of public display, to a person that meets the requirements of clauses (i), (ii), and (iii) of subparagraph (A);

(II) for the purpose of scientific research, to a person that meets the requirements of paragraph (3); or

(III) for the purpose of enhancing the survival or recovery of a species or stock, to a person that meets the requirements of paragraph (4).

(C) A person to which a marine mammal is sold or exported or to which possession of a marine mammal is otherwise transferred under the authority of subparagraph (B) shall have the rights and responsibilities described in subparagraph (B) with respect to the marine mammal without obtaining any additional permit or authorization under this chapter. Such responsibilities shall be limited to-

(i) for the purpose of public display, the responsibility to meet the requirements of clauses (i), (ii), and (iii) of subparagraph (A),

(ii) for the purpose of scientific research, the responsibility to meet the requirements of paragraph (3), and

(iii) for the purpose of enhancing the survival or recovery of a species or stock, the responsibility to meet the requirements of paragraph (4).

(D) If the Secretary-

(i) finds in concurrence with the Secretary of Agriculture, that a person that holds a permit under this paragraph for a marine mammal, or a person exercising rights under subparagraph (C), no longer meets the requirements of subparagraph (A)(ii) and is not reasonably likely to meet those requirements in the near future, or

(ii) finds that a person that holds a permit under this paragraph for a marine mammal, or a person exercising rights under subparagraph (C), no longer meets the requirements of subparagraph (A)(i) or (iii) and is not reasonably likely to meet those requirements in the near future,

the Secretary may revoke the permit in accordance with subsection (e), seize the marine mammal, or cooperate with other persons authorized to hold marine mammals under this chapter for disposition of the marine mammal. The Secretary may recover from the person expenses incurred by the Secretary for that seizure.

(E) No marine mammal held pursuant to a permit issued under subparagraph (A), or by a person exercising rights under subparagraph (C), may be sold, purchased, exported, or transported unless the Secretary is notified of such action no later than 15 days before such action, and such action is for purposes of public display, scientific research, or enhancing the survival or recovery of a species or stock. The Secretary may only require the notification to include the information required for the inventory established under paragraph (10).

(3)(A) The Secretary may issue a permit under this paragraph for scientific research purposes to an applicant which submits with its permit application information indicating that the taking is required to further a bona fide scientific purpose. The Secretary may issue a permit under this paragraph before the end of the public review and comment period required under subsection (d)(2) if delaying issuance of the permit could result in injury to a species, stock, or individual, or in loss of unique research opportunities.

(B) No permit issued for purposes of scientific research shall authorize the lethal taking of a marine mammal unless the applicant demonstrates that a nonlethal method of conducting the research is not feasible. The Secretary shall not issue a permit for research which involves the lethal taking of a marine mammal from a species or stock that is depleted, unless the Secretary determines that the results of such research will directly benefit that species or stock, or that such research fulfills a critically important research need.

(C) Not later than 120 days after April 30, 1994, the Secretary shall issue a general authorization and implementing regulations allowing bona fide scientific research that may result only in taking by Level B harassment of a marine mammal. Such authorization shall apply to persons which submit, by 60 days before commencement of such research, a letter of intent via certified mail to the Secretary containing the following:

(i) The species or stocks of marine mammals which may be harassed.

(ii) The geographic location of the research.

(iii) The period of time over which the research will be conducted.

(iv) The purpose of the research, including a description of how the definition of bona fide research as established under this chapter would apply.

(v) Methods to be used to conduct the research.

Not later than 30 days after receipt of a letter of intent to conduct scientific research under the general authorization, the Secretary shall issue a letter to the applicant confirming that the general authorization applies, or, if the proposed research is likely to result in the taking

(including Level A harassment) of a marine mammal, shall notify the applicant that subparagraph (A) applies.

(4)(A) A permit may be issued for enhancing the survival or recovery of a species or stock only with respect to a species or stock for which the Secretary, after consultation with the Marine Mammal Commission and after notice and opportunity for public comment, has first determined that-

(i) taking or importation is likely to contribute significantly to maintaining or increasing distribution or numbers necessary to ensure the survival or recovery of the species or stock; and

(ii) taking or importation is consistent (I) with any conservation plan adopted by the Secretary under [section 1383b\(b\) of this title](#) or any recovery plan developed under [section 1533\(f\) of this title](#) for the species or stock, or (II) if there is no conservation or recovery plan in place, with the Secretary's evaluation of the actions required to enhance the survival or recovery of the species or stock in light of the factors that would be addressed in a conservation plan or a recovery plan.

(B) A permit issued in accordance with this paragraph may allow the captive maintenance of a marine mammal from a depleted species or stock only if the Secretary-

(i) determines that captive maintenance is likely to contribute to the survival or recovery of the species or stock by maintaining a viable gene pool, increasing productivity, providing biological information, or establishing animal reserves;

(ii) determines that the expected benefit to the affected species or stock outweighs the expected benefit of alternatives which do not require removal of animals from the wild; and

(iii) requires that the marine mammal or its progeny be returned to the natural habitat of the species or stock as soon as feasible, consistent with the objectives of any applicable conservation plan or recovery plan, or of any evaluation by the Secretary under subparagraph (A).

The Secretary may allow the public display of such a marine mammal only if the Secretary determines that such display is incidental to the authorized maintenance and will not interfere with the attainment of the survival or recovery objectives.

(5)(A) The Secretary may issue a permit for the importation of polar bear parts (other than internal organs) taken in sport hunts in Canada to an applicant which submits with its permit application proof that the polar bear was legally harvested in Canada by the applicant. Such a permit shall be issued if the Secretary, in consultation with the Marine Mammal Commission and after notice and opportunity for public comment, finds that-

(i) Canada has a monitored and enforced sport hunting program consistent with the purposes of the Agreement on the Conservation of Polar Bears;

(ii) Canada has a sport hunting program based on scientifically sound quotas ensuring the maintenance of the affected population stock at a sustainable level;

(iii) the export and subsequent import are consistent with the provisions of the Convention on International Trade in Endangered Species of Wild Fauna and Flora and other international agreements and conventions; and

(iv) the export and subsequent import are not likely to contribute to illegal trade in bear parts.

(B) The Secretary shall establish and charge a reasonable fee for permits issued under this paragraph. All fees collected under this paragraph shall be available to the Secretary until expended for use in developing and implementing cooperative research and management programs for the conservation of polar bears in Alaska and Russia pursuant to [section 1383\(d\) of this title](#).

(C)(i) The Secretary shall undertake a scientific review of the impact of permits issued under this paragraph on the polar bear population stocks in Canada within 2 years after April 30, 1994.

The Secretary shall provide an opportunity for public comment during the course of such review, and shall include a response to such public comment in the final report on such review.

(ii) The Secretary shall not issue permits under this paragraph after September 30, 1996, if the Secretary determines, based on the scientific review, that the issuance of permits under this paragraph is having a significant adverse impact on the polar bear population stocks in Canada. The Secretary may review such determination annually thereafter, in light of the best scientific information available, and shall complete the review not later than January 31 in any year a review is undertaken. The Secretary may issue permits under this paragraph whenever the Secretary determines, on the basis of such annual review, that the issuance of permits under this paragraph is not having a significant adverse impact on the polar bear population stocks in Canada.

[(D) The Secretary of the Interior shall, expeditiously after the expiration of the applicable 30 day period under subsection (d)(2), issue a permit for the importation of polar bear parts (other than internal organs) from polar bears taken in sport hunts in Canada before February 18, 1997, to each applicant who submits, with the permit application, proof that the polar bear was legally harvested in Canada by the applicant. The Secretary shall issue such permits without regard to the provisions of subparagraphs (A) and (C)(ii) of this paragraph, subsection (d)(3) of this section, and sections 1371 and 1372 of this title. This subparagraph shall not apply to polar bear parts that were imported before June 12, 1997.]

(D)(i) The Secretary of the Interior shall, expeditiously after the expiration of the applicable 30-day period under subsection (d)(2), issue a permit for the importation of any polar bear part (other than an internal organ) from a polar bear taken in a sport hunt in Canada to any person—

(I) who submits, with the permit application, proof that the polar bear was legally harvested by the person before February 18, 1997; or

(II) who has submitted, in support of a permit application submitted before May 15, 2008, proof that the polar bear was legally harvested by the person before May 15, 2008, from a polar bear population from which a sport-hunted trophy could be imported before that date in accordance with section 18.30(i) of title 50, Code of Federal Regulations.

(ii) The Secretary shall issue permits under clause (i)(I) without regard to subparagraphs (A) and (C)(ii) of this paragraph, subsection (d)(3), and sections 101 and 102. Sections 101(a)(3)(B) and 102(b)(3) shall not apply to the importation of any polar bear part authorized by a permit issued under clause (i)(I). This clause shall not apply to polar bear parts that were imported before June 12, 1997.

(iii) The Secretary shall issue permits under clause (i)(II) without regard to subparagraph (C)(ii) of this paragraph or subsection (d)(3). Sections 101(a)(3)(B) and 102(b)(3) shall not apply to the importation of any polar bear part authorized by a permit issued under clause (i)(II). This clause shall not apply to polar bear parts that were imported before the date of enactment of the Polar Bear Conservation and Fairness Act.

(6) A permit may be issued for photography for educational or commercial purposes involving marine mammals in the wild only to an applicant which submits with its permit application information indicating that the taking will be limited to Level B harassment, and the manner in which the products of such activities will be made available to the public.

(7) Upon request by a person for a permit under paragraph (2), (3), or (4) for a marine mammal which is in the possession of any person authorized to possess it under this chapter and which is determined under guidance under section 1421a(a) of this title not to be releasable to the wild, the Secretary shall issue the permit to the person requesting the permit if that person-

(A) meets the requirements of clauses (i), (ii), and (iii) of paragraph (2)(A), in the case of a request for a permit under paragraph (2);

(B) meets the requirements of paragraph (3), in the case of a request for a permit under that paragraph; or

(C) meets the requirements of paragraph (4), in the case of a request for a permit under that paragraph.

(8)(A) No additional permit or authorization shall be required to possess, sell, purchase, transport, export, or offer to sell or purchase the progeny of marine mammals taken or imported under this subsection, if such possession, sale, purchase, transport, export, or offer to sell or purchase is-

(i) for the purpose of public display, and by or to, respectively, a person which meets the requirements of clauses (i), (ii), and (iii) of paragraph (2)(A);

(ii) for the purpose of scientific research, and by or to, respectively, a person which meets the requirements of paragraph (3); or

(iii) for the purpose of enhancing the survival or recovery of a species or stock, and by or to, respectively, a person which meets the requirements of paragraph (4).

(B)(i) A person which has a permit under paragraph (2), or a person exercising rights under paragraph (2)(C), which has possession of a marine mammal that gives birth to progeny shall-

(I) notify the Secretary of the birth of such progeny within 30 days after the date of birth; and

(II) notify the Secretary of the sale, purchase, or transport of such progeny no later than 15 days before such action.

(ii) The Secretary may only require notification under clause (i) to include the information required for the inventory established under paragraph (10).

(C) Any progeny of a marine mammal born in captivity before April 30, 1994, and held in captivity for the purpose of public display shall be treated as though born after April 30, 1994.

(9) No marine mammal may be exported for the purpose of public display, scientific research, or enhancing the survival or recovery of a species or stock unless the receiving facility meets standards that are comparable to the requirements that a person must meet to receive a permit under this subsection for that purpose.

(10) The Secretary shall establish and maintain an inventory of all marine mammals possessed pursuant to permits issued under paragraph (2)(A), by persons exercising rights under paragraph (2)(C), and all progeny of such marine mammals. The inventory shall contain, for each marine mammal, only the following information which shall be provided by a person holding a marine mammal under this chapter:

(A) The name of the marine mammal or other identification.

(B) The sex of the marine mammal.

(C) The estimated or actual birth date of the marine mammal.

(D) The date of acquisition or disposition of the marine mammal by the permit holder.

(E) The source from whom the marine mammal was acquired including the location of the take from the wild, if applicable.

(F) If the marine mammal is transferred, the name of the recipient.

(G) A notation if the animal was acquired as the result of a stranding.

(H) The date of death of the marine mammal and the cause of death when determined.

(d) Application procedures; notice; hearing; review

(1) The Secretary shall prescribe such procedures as are necessary to carry out this section, including the form and manner in which application for permits may be made.

(2) The Secretary shall publish notice in the Federal Register of each application made for a permit under this section. Such notice shall invite the submission from interested parties, within thirty days after the date of the notice, of written data or views, with respect to the taking or importation proposed in such application.

(3) The applicant for any permit under this section must demonstrate to the Secretary that the taking or importation of any marine mammal under such permit will be consistent with the

purposes of this chapter and the applicable regulations established under [section 1373 of this title](#).

(4) If within thirty days after the date of publication of notice pursuant to paragraph (2) of this subsection with respect to any application for a permit any interested party or parties request a hearing in connection therewith, the Secretary may, within sixty days following such date of publication, afford to such party or parties an opportunity for such a hearing.

(5) As soon as practicable (but not later than thirty days) after the close of the hearing or, if no hearing is held, after the last day on which data, or views, may be submitted pursuant to paragraph (2) of this subsection, the Secretary shall (A) issue a permit containing such terms and conditions as he deems appropriate, or (B) shall deny issuance of a permit. Notice of the decision of the Secretary to issue or to deny any permit under this paragraph must be published in the Federal Register within ten days after the date of issuance or denial.

(6) Any applicant for a permit, or any party opposed to such permit, may obtain judicial review of the terms and conditions of any permit issued by the Secretary under this section or of his refusal to issue such a permit. Such review, which shall be pursuant to [chapter 7 of title 5](#), may be initiated by filing a petition for review in the United States district court for the district wherein the applicant for a permit resides, or has his principal place of business, or in the United States District Court for the District of Columbia, within sixty days after the date on which such permit is issued or denied.

(e) Modification, suspension, and revocation

(1) The Secretary may modify, suspend, or revoke in whole or in part any permit issued by him under this section-

(A) in order to make any such permit consistent with any change made after the date of issuance of such permit with respect to any applicable regulation prescribed under [section 1373 of this title](#),

(B) in any case in which a violation of the terms and conditions of the permit is found, or

(C) if, in the case of a permit under subsection (c)(5) authorizing importation of polar bear parts, the Secretary, in consultation with the appropriate authority in Canada, determines that the sustainability of Canada's polar bear population stocks are being adversely affected or that sport hunting may be having a detrimental effect on maintaining polar bear population stocks throughout their range.

(2) Whenever the Secretary shall propose any modification, suspension, or revocation of a permit under this subsection, the permittee shall be afforded opportunity, after due notice, for a hearing by the Secretary with respect to such proposed modification, suspension, or revocation. Such proposed action by the Secretary shall not take effect until a decision is issued by him after such hearing. Any action taken by the Secretary after such a hearing is subject to judicial review on the same basis as is any action taken by him with respect to a permit application under paragraph (5) of subsection (d) of this section.

(3) Notice of the modification, suspension, or revocation of any permit by the Secretary shall be published in the Federal Register within ten days from the date of the Secretary's decision.

(f) Possession of permit by issuee or his agent

Any permit issued under this section must be in the possession of the person to whom it is issued (or an agent of such person) during-

(1) the time of the authorized or taking importation;

(2) the period of any transit of such person or agent which is incident to such taking or importation; and

(3) any other time while any marine mammal taken or imported under such permit is in the possession of such person or agent.

A duplicate copy of the issued permit must be physically attached to the container, package, enclosure, or other means of containment, in which the marine mammal is placed for purposes of storage, transit, supervision, or care.

(g) Fees

The Secretary shall establish and charge a reasonable fee for permits issued under this section.

(h) General permits

(1) Consistent with the regulations prescribed pursuant to [section 1373 of this title](#) and to the requirements of [section 1371 of this title](#), the Secretary may issue an annual permit to a United States purse seine fishing vessel for the taking of such marine mammals, and shall issue regulations to cover the use of any such annual permits.

(2) Such annual permits for the incidental taking of marine mammals in the course of commercial purse seine fishing for yellowfin tuna in the eastern tropical Pacific Ocean shall be governed by [section 1416 of this title](#), subject to the regulations issued pursuant to [section 1413 of this title](#).
